I am writing in regards to my Klove station being on the air. Klove is such a blessing in our economy to be able to listen to positive music that stresses the importance of having god in your life is desperatly needed in todays environment. If we didn't have Klove the children in our community would not the have the godly message on the airways that they are now receiving. Klove works miracles in our community everyday from bringing new people to Christ or by simply showing us the glory of god by the works and testimony of others. Please keep Klove on the air in our area. We need Klove.
